Enrolling in this health plan does not guarantee you can see a particular provider on this Primary Care Network Listing. If you want to make sure, you should call that provider and ask whether he or she is still part of this health plan. You should ask if they are accepting new patients. This health plan may not cover all your health care costs. Read your contract, or “*Certificate of Coverage” carefully to find out what is covered.

*In 2012 the Certificate of Coverage will be called Evidence of Coverage.

South Country Health Alliance will accept all eligible people who choose or are assigned to one of our programs. We will not discriminate in regard to your physical or mental condition; health status; need for health services; marital status; age; sex; sexual orientation; national origin; race; color; religion or political beliefs.

Is the provider accessible to people with disabilities?

If you require special access to obtain services from a provider, you can obtain accessible accommodation information by calling Member Services at the number listed on the inside front cover. Or, visit www.mnscha.org. This could include (but is not limited to) the following kinds of access for services: availability of flexible hours, wheelchair access, or parking lot access.

Welcome to South Country Health Alliance

South Country Health Alliance (South Country) is a county-based health plan that serves twelve Minnesota counties. Through South Country, these counties have joined together to help improve how you receive your health care. Clinics, doctors, dentists, eye doctors, chiropractors, hospitals, nursing homes and home care agencies are working with us to see that you get the best care.

The twelve counties in our service area include: Brown, Dodge, Freeborn*, Goodhue, Kanabec, Morrison, Sibley, Steele, Todd, Wabasha, Waseca and Wadena. We work closely with county health care providers, human services and county public health departments in these counties to support your wellness. South Country provides five different programs to meet members' needs. Your county worker will help you find the program that best fits **your** needs.

* Beginning January 1, 2012 South Country will no longer be an available health plan choice in Freeborn County for Medical Assistance (MA) or MinnesotaCare. South Country will, however, remain an option for those enrollees in Minnesota Senior Care Plus (MSC+), Minnesota Senior Health Options (MSHO) and Special Needs BasicCare (SNBC).

South Country's Five Programs

Medical Assistance (MA)

Medical Assistance (MA) is a health care coverage for families and children who meet income and asset limits. There is no premium.

MinnesotaCare (MnCare)

MinnesotaCare is for persons who live in our service area. It is available for people who do not have health insurance or access to insurance through an employer. There may be a premium for each month of enrollment based on family size and income.

Minnesota Senior Care Plus (MSC+)

Minnesota Senior Care Plus (MSC+) is a program for those age 65 or older that live in our service area and are eligible for Medical Assistance. The MSC+ program includes all your regular Medical Assistance benefits, as well as Elderly Waiver services (if eligible) and up to 180 days of nursing home care.

If you have MSC+ and Medicare, you may have another option available. South Country offers SeniorCare Complete, a Minnesota Senior Health Options (MSHO) program that combines your Medical Assistance, Medicare and Part D prescription into one health care package. Ask your county worker or call us (1-866-567-7242) to see if you can enroll in SeniorCare Complete.

SeniorCare Complete (MSHO)

SeniorCare Complete is a Minnesota Senior Health Options (MSHO) program offered by South Country. SeniorCare Complete combines your Medicare, Medical Assistance and Part D prescription benefits into one health care package. It combines your doctor, hospital, home care, nursing home care and other health care into one coordinated care system. SeniorCare Complete provides Medicare Part A (hospital), Part B (medical), Part D (prescription drug), and Medical Assistance coverage. There are no additional costs to join. With SeniorCare Complete, you can see any of the physicians in our network, including specialists, without a referral!

SeniorCare Complete is a voluntary program. You can enroll or disenroll at any time.

To join SeniorCare Complete, you must:

- be at least 65 years old;
- have Medical Assistance;
- have Medicare Parts A and B; and
- reside in our service area.

AbilityCare (SNBC)

AbilityCare is a Special Needs Basic Care (SNBC) voluntary program for people under age 65 with disabilities. You can choose not to enroll. If you enroll and later change your mind about AbilityCare (SNBC), you may disenroll at any time. Disenrollment will take effect the first of the next month.

If you are disabled, have Medicare Parts A and B, and are age 18–64, you may have another option available. Contact South Country Health Alliance to see if you can enroll in AbilityCare’s SNBC program that combines your Medical Assistance and Medicare benefits. This program also includes your Medicare Part D prescription drug benefits. There is no cost to you for health services in this program. This program is also voluntary. You can disenroll at any time. Disenrollment will take effect the first of the next month.

To join AbilityCare, you must:

- be under age 65 at the time of enrollment;
- have Medical Assistance;
- reside in our service area;
- be certified disabled by the Social Security Administration or State Medical Review Team;
- be a person with Developmental Disability for purposes of the DD waiver, as determined by the local county agency.

Important Information To Know

Choose a Clinic

Please choose a primary care clinic. The clinics in South Country’s network are listed beginning on page 1 of this booklet. The information printed in this listing was correct as of the date of printing. Before choosing a clinic, please call South Country’s Member Services at **1-866-567-7242 (toll free)**, or **711 (TTY)** to find out whether your provider is part of the primary care clinic you have chosen. If you want to continue seeing your primary care provider or specialist and the provider is not part of South Country’s network, please choose a health plan in which your provider participates.

Urgent/After Hours/Emergency Care

South Country’s members have access to the Ask Mayo Clinic nurse advice line. Call the Ask Mayo Clinic nurse advice line if you need help in deciding if you need urgent or emergency care. Nurses are available 24 hours a day, seven days a week at 1-800-504-3451 (toll free), or 1-877-728-3311 (TTY for the hearing impaired).

South Country does not cover emergency care or other health care services received from providers located outside the United States and Canada.

Urgent or After Hours Care: When possible, call your primary care clinic before going to the emergency room. Your primary care clinic can help you decide what to do. Your primary care clinic’s phone number will be on your member identification card.

Emergencies: In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room. Call your primary care clinic as soon as possible after receiving

services, usually within 48 hours. Your primary care clinic’s phone number will be on your member identification card.

Hospitals

Use the hospital(s) associated with your primary care clinic. There is a list of hospitals after the primary care clinic section in this booklet (beginning on page 34). If you need to go to a hospital that is not in the listing or is not connected with South Country, call Member Services toll free at **1-866-567-7242** before you get services. If you are admitted to an out-of-plan hospital, call Member Services within 48 hours of your admittance. Call your primary care clinic as soon as possible after receiving services.

Dental Care

DentaQuest provides dental services for South Country’s members. You will receive a Provider Directory that lists the dental providers after you become a South Country member. The Customer Service number for DentaQuest is **1-800-516-2940 (toll free)**, or **1-800-466-7566 (TTY for the hearing impaired)**.

Call Member Services at **1-866-567-7242 (toll free)** if you need help finding a mental health or chemical dependency provider. Members should call Member Services before treatment begins as some treatments may require prior authorization.

You may be eligible to get Home and Community-Based Services. These waiver programs offer more services than regular Medical Assistance. Services include extended home care, assisted living, supported employment and more.

Elderly Waiver (EW) Services (MSC+ and SeniorCare Complete Members Only)

If you are age 65 or older and need help to stay in your home, there is a program called Elderly Waiver

(EW). EW offers more services than regular Medical Assistance. Services include visits by a nurse, home care, homemaker, chore services and more. If you would like more information about home and community based services, call Member Services at the number listed on the inside cover of this booklet.

Elderly Waiver (EW) Obligation (MSC+ and SeniorCare Complete Members Only)

If you receive Elderly Waiver services and your income was over the income limit, you will have to pay a monthly amount. This is called the waiver obligation. South Country will tell you whom to pay.
