

# Infant Checkups

Well-Care Checkups are important for infants, because they help keep your child healthy right from the very start.

## Well-Care Checkups

Well-Care Checkups are an ongoing part of your child's health care. These visits are more thorough than a regular checkup or exam when your child is sick. These visits are also a great time for parents to get information about good health for their kids and to ask questions.

All children who are current members of South Country Health Alliance and who complete at least six Well-Care Checkups by 15 months of age can **receive a \$25 gift card reward!**
