

# South Country Health Alliance Membership Identification Card (2012)

Providers will begin seeing additional information printed on the member ID cards:

South Country Health Alliance has enhanced the Member ID cards to assist providers in identifying the member product/program. The "*Medical Account number*" represents the *Program* for which the member is assigned. The *Medical Account Number* may be compared to the *Product Code* found on the DHS MN-Its eligibility verification system. The Description provides a summary of who belongs in which Medical Account.
